

# Pliers, Long Reach Needle Nose Pliers, Straight Nose, 13-Inch

The Klein Tools 13-Inch Long Reach Pliers are designed to improve access into tight spots across a variety of applications. The 2:1 double rivet design allows the jaws to open twice as wide than the handles, ensuring the ability to grip on a workpiece without obstruction. These feature straight jaws with Klein's unique angled knurls to provide an extra grip that limits slippage.
