

Color-Coded Screwdriver Set, 14-Piece

This 14-Piece Klein Tools Color-Coded Screwdriver Set features a wide-assortment of screwdrivers that build as one cohesive, multi-functional set. Color-Coded dome handles provide quick identification for each screwdriver size. The 1/4-Inch keystone-tip and 5/16-Inch Demolition are designed for demanding applications. Precision screwdrivers are designed with premium spin caps. 3/16-Inch cabinet tip screwdriver features a narrow cabinet tip to make tight spaces easily acceptable.
