This Year's Charity:

THE MAGGIE WELBY FOUNDATION

The Maggie Welby Foundation offers scholarships for children grades Kindergarten through twelfth grade. The scholarships are awarded annually to children who demonstrate a financial need, and complete the Maggie Welby Foundation Scholarship Application.

Helping people in need was a very important part of Maggie's life. These scholarships are an extension of Maggie's love to help kids in need. Over the last 12 years, EPC's Classic Carfest Charity Carshow has raised more than \$135,000 for a variety of St. Louis-based children's charity efforts. We're proud to announce the date of our 15th Anniversary event coming up on October 8th, 2016 and we need your help! This year's charity, The Maggie Welby Foundation, has been providing families with children with services to help them deal with a variety of difficult experiences and we're looking for sponsors for this year's program to help make that happen.

Are you ready to make the difference in the life of a child? Check out our sponsorship levels and to help provide an outstanding business-awareness opportunity for you and your company in the eyes of the community. We're eager to talk to you!
