**At TSA's Summer Arts Camp students age 10 - 14 take classes June 6<sup>th</sup> – 17<sup>th</sup>. A camp T-shirt and supplies are provided. Students choose 4 classes.**

**Visual Art**

**Art + Words**

When are words art? When is art made of words? We will explore lots of ways to answer these two questions! Turn words and letters into paintings and prints, create artist's books, use words to create fabric art, and more! Many different techniques and materials will be introduced as we combine words and art.

**The Art of Fantastical Creatures**

If you love unicorns, dragons, and other imaginary beings, then this is the class for you! We will explore lots of different techniques and materials including papier mache, printmaking, clay, and drawing as we create cool fantasy creature projects!

**Glass\***

This intro class will give students the knowledge and means to make mosaics, cast glass, and fused glass art works. (An extra \$25 fee for materials will be due the first day of class).

*\*Open to ages 11 – 14 only*

**Puppet Construction**

Watch your sculptures come to life! You will create 3 different types of puppets. Create puppets that require one to three people to manipulate. Students will use a combination of sculpting, papier mache, sewing, painting, and assembling to create their hand and rod puppets.

**Theatre and Costuming**

**Let's Put On a Play!**

Students will take part in the Debbie Metzler's "A Walk in the Woods", a mash-up comedy of fairy tales to help a young actor develop his or her acting chops!

**Let's Make a Movie!\***

In this class, we will create short movies using various video production techniques including: screenwriting, stop animation, chroma keying (green screen) and editing using Final Cut Pro X. These videos will be devised and filmed in groups, then individually edited so that each student can take home their own DVD copy.

*\*Open to ages 11 – 14 only*

**Sewing**

Learn how to use a sewing machine for basic stitching. You will start with a pattern and create practical projects to take home and use.

**Costume Design\***

How do you design a costume for a play? Start with a script and analyze a character to make the perfect look that brings the character to life.

*\*Open to ages 11 – 14 only*

**EARLY REGISTRATION SPECIAL!**

Register by April 30<sup>th</sup> ..... \$330

After April 30<sup>th</sup> ..... \$415

*Make checks payable to TSA*

**Music**

**Ukulele Basics**

All you need is a ukulele and the desire to learn how to play. We'll supply the book and the instructor. Don't have a ukulele? No problem – for just an extra \$35, you can buy a new ukulele for your very own! (Provided by *Valley Music.*)

**Piano**

Students will learn how to read music on the staff, the piano keyboard, and how to play songs. Students will also have opportunities to create their own music using the keyboard and Garage Band. This class is best for students who have no prior experience playing piano, or who have minimal experience reading music.

**Singing Broadway**

Sing Broadway favorites and learn how to sell the number to your audience.

**Dance and Writing**

**The Styles of Dance**

Learn many different styles of dance in this survey class. Learn what makes each style different, from movement to music.

**Dance Auditions**

Don't be left out of the class or production you want because of a poor audition. In this class you will learn how to take your auditions to the next level so you can get the part you want.

**Creative Writing Workshop\***

If you love writing, this class is for you. Hone your skills as a writer by sharing your work with classmates. Help each other polish your best pieces for a TSA performance!

*\*Open to ages 11 – 14 only*
