THE SABBATH RECORDER, JANUARY 27, 1870.

SABBATH RECORDER.

I am now with both bands, and find the one very excellent, the one very good. The aspect of things is more encouraging than ever, and we have reason to believe that the work will be done in a week or two. The Sabbath school at West Edmeston, N. Y., has contributed one shilling since our last report, and some unknown brethren two more. We are very thankful for it, and hope that it may be the beginning of a new era of prosperity. The S. D. at 1 P.M. and 8 P.M. cannot fail to be noticed. It is a matter of great importance, and we trust that it will be attended to.
