THE SABBATH RECORDER, FEBRUARY 3, 1870.

The Board of the American Bible Society are planning to send funds to various missions to aid in the spread of the Gospel. They have decided to give a million dollars to the cause. This plan has been approved by the Society, and the money will be used to support the work in the various parts of the world. The funds will be distributed among the different missions, and will be used to build churches, schools, and hospitals, and to support the work of the missionaries. The Board of the American Bible Society is working hard to raise the necessary funds, and they hope to complete the project as soon as possible. They are looking forward to the day when the work of the Gospel will be carried to all parts of the world, and when the people will be able to hear the word of God in their own language.
