THE SABBATH RECORDER, JANUARY 19, 1871.

CUSTOMER PRAYER

The Sabbath Recorder.

The Sabbath, by J.H. Knowles.

There is scarcely a subject that more strongly impresses our minds than the Sabbath, or the Lord's day. The question is not how to make the Sabbath a week. There are other days on which we work, and it is good. The question is, how to make the Sabbath a day of rest, a day of rest and religious observance. The Sabbath is a day of rest from our labor, a day of religious observance, a day of rest from our labor and religious observance.

We are to observe the Sabbath, by keeping it holy, by not doing any work, by not doing any work, by not doing any work.
