THE SABBATH RECORDER.

THE SABBATH, SEPTEMBER 13, 1872.

Arabian Nights.

The Seventh day Baptists on being only seen or eight thousand resolved last year to receive $100,000 as a Memorial Fund. They have already secured over twenty thousand of that sum.

The Resurrection.

The women therefore did not work there. They also rested the Sabbath day according to the commandment. In the evening of the three days and three nights that the body of Christ lay there, they came to theSepulcher. Then the women rested the Sabbath day according to the commandment for it was just at its close when they came to the Sepulcher. They did not do it sooner because the day intervening between the two Sabbath days was not accepted. It is often said that the three days and three nights that the body of Christ lay there, were part of the three days and three nights of the Sabbath day.

The SABBATH, SEPTEMBER 13, 1872.

A Testimony.

All of Christ's work was done among the adjacent people; hence the Lord's day was for them a day of rest, and a day of equipment and rest for the Sabbath day of the feast of unleavened bread. The women therefore did not work there. They also rested the Sabbath day according to the commandment. In the evening of the three days and three nights that the body of Christ lay there, they came to the Sepulcher. Then the women rested the Sabbath day according to the commandment for it was just at its close when they came to the Sepulcher. They did not do it sooner because the day intervening between the two Sabbath days was not accepted. It is often said that the three days and three nights that the body of Christ lay there, were part of the three days and three nights of the Sabbath day.
