ADV OE.

THE EASY FIFTH

THE Lord's Supper was the central act of the Christian church. The Church was the true temple of God, and it was through the Church that the Christian people were united to Christ. The Church was the body of Christ, and it was through the Church that Christ was manifested to the world. The Church was the pillar and ground of the truth, and it was through the Church that the Christian people were upheld in their faith. The Church was the agency of the Holy Spirit, and it was through the Church that the Christian people were filled with the Spirit of God. The Church was the witness of the Christ, and it was through the Church that the Christian people were declared to be the children of God.

The Church was the symbol of Christ's kingdom, and it was through the Church that the Christian people were declared to be the subjects of Christ. The Church was the sign of Christ's coming, and it was through the Church that the Christian people were declared to be the forerunners of Christ. The Church was the seal of Christ's faith, and it was through the Church that the Christian people were declared to be the bearers of Christ's faith. The Church was the head of Christ's body, and it was through the Church that the Christian people were declared to be the members of Christ. The Church was the bride of Christ, and it was through the Church that the Christian people were declared to be the loved of Christ.
