We would indebted for the many kind expressions of approval we have received of the Sabbath Recorder, and of the Sabbath-School Prompts. We have received many letters from Sabbath-School instructors, saying that they were using our Review, and that it was a great assistance to them.

We are now in the process of preparing a new series of Sabbath-School Prompts, which will be published in the fall. These will be in the form of a year's work, and will be arranged so as to make them suitable for use in any Sabbath-School.

We would be glad to have our friends in the West to write to us, and to give us any suggestions they may have as to the improvement of our Sabbath-School Prompts.

EVENING MEETING.

At the Young Men's Christian Association in Philadelphia, on the 1st of May, the only work of its kind in the city, an evening meeting was held, with a large attendance of the friends of the Association. The meeting was opened by the singing of "Home, Sweet Home," and was followed by a short prayer, after which the President, Mr. D. C. Babcock, took charge of the meeting, and conducted it with great skill and ability. The subject of the evening was "The Importance of Prayer," and was treated with great acuteness and depth by Mr. Babcock, who showed the necessity of prayer to the Christian, and the way in which it may be cultivated.

After the conclusion of the business of the evening, the meeting was adjourned until the following evening, when the Business Committee will meet to discuss the business of the Association.

The Young Men's Christian Association is a powerful agency for the promotion of moral and religious improvement, and is well worthy of the support of all who care for the welfare of our young men.
