THE SABBATH RECORDER, JANUARY 6, 1876

SOME BEASONS FOR THE DETERMINATION OF THE SABBATH.

The Sabbath is held sacred to the memory of the ancient Hebrews as a day set apart from the world, during which they were to engage in no laborious labor. The ninth chapter of Exodus contains a full account of the Creation and the Sabbath. It is incumbent on every person to observe the Sabbath, and not to engage in laborious labor on that day. The Sabbath is a day of rest, during which the family should be together in the house. The Sabbath is a day of labor, during which the family should be together in the field. The Sabbath is a day of prayer, during which the family should be together in the house. The Sabbath is a day of love, during which the family should be together in the field. The Sabbath is a day of work, during which the family should be together in the house.

THE TITLE OF THE SABBATH.
