LETTER TO EDWARD BRIGHTMAN.

We have, for a long time, been struggling to figure out what the Sabbath was. It seems to be a bit like a puzzle. We have not been able to see the whole picture because of the confusion around us. There are so many interpretations and debates about the Sabbath that it is hard to know where to start.

But there is another factor that has been affecting our understanding. The present-day church has been affected by false teachings. This has led to a lot of confusion, as there is no clear guidance on how to interpret the Sabbath.

In conclusion, it seems that the Sabbath is a day of rest and worship. It is a day that we should set aside to reflect on the Word of God. The Sabbath is a reminder of our heavenly Father's love for us. It is a day to celebrate our faith and to grow in our understanding of the Lord's will.

GOD gave us back the Sabbath and He will help us to understand its true meaning. The church is called to be the light of the world, and to shine as a testimony of God's love.

We are always striving to do what is right in the sight of Heavens and to serve Him with all our hearts. We need to be humble and seek His guidance in all our decisions.

We are not alone in this journey. The church is our support and we need to walk together in faith. Only then will we be able to find the true meaning of the Sabbath.

I hope this helps, and I am here to answer any questions you might have.

Yours in Christ,
Edward Brightman
