LET US IN THE SABBATH! 

From morrow, may we set apart a day of rest in the midst of our labors, and, in the spirit of the Lord, honor the sabbath day!

THE SABBATH RECORDER, AUGUST 16, 1877.

THE CHOICE OF THE BISHOP — Continued.

We have received the facts of the three cases in this last week, and have decided to publish the case in full. The three cases are:

2. The case of the Bishop of France.
3. The case of the Bishop of Germany.

In each case it is found that the Bishop has acted in a manner which is contrary to the laws and customs of the Church. The Bishop of England has been charged with misappropriation of funds, the Bishop of France with sexual misconduct, and the Bishop of Germany with financial irregularities.

It is evident that these cases are of great importance, and that further action is necessary. We shall continue to monitor the situation and report any further developments.

A PERSONAL LETTER.

Letter from a Member of the Church.

Dear Sir,

I have been a member of the Church for many years, and have always felt a strong sense of duty towards it. However, I must confess that I have been increasingly disturbed by the recent incidents involving the Bishops.

I believe that the Church must take a stand on these matters, and that action must be taken to prevent similar incidents from occurring in the future.

Sincerely yours,

NEW YORK EVENT.

The recent event in New York has been widely discussed and commented upon. The event was the closing of the Missionary Department of the Church, which had been in operation for many years.

The reason for the closing of the Missionary Department is attributed to various factors, including financial difficulties and a change in the organizational structure of the Church.

It is hoped that the Missionary Department will be rebuilt and that its work will continue to be carried out in a more effective manner.

The Church will continue to support its overseas missions through other means, and it is expected that the Missionary Department will be reinstated in the future.
