Please Note:

- Cue sheets are **only required when there is public broadcast** (on television or live theatre for example). It does not concern corporate videos, corporate web sites, student projects, personal videos, youtube videos, etc.
- It is important to note that there is no additional cost to the producer.** Filling in the cue sheet does not imply that the production company owes any additional fees or royalties (thus the often-used term Royalty Free Music). **These royalties are paid by broadcasters.**
