A week later, a wolf happened to pass by the lane where the three little pigs lived; he saw the straw house, and he smelled the pig inside.

So he knocked on the door (*castanets sound*),

rang in the doorbell (*triangle sound*)

and said:

RRRR (*growl sounds*)

«Little pig! Little pig! Let me in! Let me in!»

But the little pig saw the Wolf's big paws through the keyhole,

so he answered back:

«No! No! No! (*Hit small note C on the xylophone*)

Not by the hairs on my chinny chin chin!»

Then the Wolf showed his teeth and said:

«Then I'll huff and I'll puff and I'll blow your house

down». So he huffed and he puffed and he blew

the house down!

(*green sleigh bell sound*).
