# **Capybara Family's Little Adventure**

Celia Luo

Today, Daddy Capybara and Mommy Capybara took their two little babies on a trip into the forest. The babies felt a little nervous, because it was their first time leaving home. Daddy smiled and said, "Don't worry, we'll always be together."

They walked through a field of green grass. The little babies felt the grass was so tall, it almost swallowed them. Mommy gently said, "Take it slow, we'll walk together."
