

Foreword

This textbook is designed to make working with ChatGPT simple, engaging, and highly effective. It is suitable for everyone—from beginners just starting to explore artificial intelligence to professionals eager to master the latest approaches and techniques. This book doesn't just teach you how to use AI—it opens new horizons, demonstrating how artificial intelligence can become your indispensable assistant.

The textbook consists of 650 pages, but you don't need to read it cover to cover. The material is structured to let you quickly jump to the sections you need. Practical examples, ready-made solutions, and step-by-step instructions make learning easy and accessible. The book can also serve as a reference guide: you can quickly find and apply the information you need, saving time.

Inside, you'll find ready-to-use templates, modules, auxiliary prompts, and modifiers that can be applied directly to your work. However, the primary goal of this book is to help you learn how to create your own tools, perfectly tailored to your tasks and professional needs.

The text is written in simple, clear language that doesn't require programming knowledge. There's just enough theory to aid understanding, but the focus is on practical examples that are easy to apply in real life.

Artificial intelligence is a powerful tool capable of simplifying your work, accelerating processes, and boosting efficiency. This book will be your guide to a future where complex tasks are solved in minutes and creative ideas come to life faster than ever. Open it, try it, experiment, and create. Perhaps this book will be the starting point for your next success. It's all in your hands. Let's begin!

Table of Contents

Chapter 1: Introduction	1
Chapter 2: Basics of Working with Prompts	2
Chapter 3: Methods of Prompt Engineering	6
Zero-shot Prompting.....	6
One-shot Prompting.....	10
Few-shot Prompting.....	19
Contextual Prompting.....	26
Explanatory Prompting.....	32
Detail-oriented Prompting.....	43
Comparative and Contrastive Prompting.....	49
Scenario-based Prompting.....	61
Summary Prompting.....	68
Interactive Prompting.....	76
Hypothetical Prompting.....	85
Goal-oriented Prompting.....	91
Dynamic Prompting.....	98
Bias-aware Prompting.....	105
Chain-of-Thought Prompting.....	112
Multi-step Reasoning Prompting.....	120
Precision Prompting.....	129
Exploratory Prompting.....	139
Role-playing Prompting.....	147
Analytical Prompting.....	153
Perspective Prompting.....	161
Critic Prompt.....	168
ASK-Before-Answer.....	178
Evaluative Prompting.....	189
Multimodal Prompting.....	196

Chapter 4: Combining Prompting Methods	202
Chapter 5: Auxiliary Phrases and Modifiers	212
Examples of Using Auxiliary Phrases	212
Examples of Using Modifiers.....	217
List of the Most Common Auxiliary Phrases	221
List of the Most Common Modifiers by Category.....	224
Chapter 6: Dialogue with the Model: Refining, Expanding, and Optimizing Responses	228
Chapter 7: Prompt Structuring	247
Prompt Structuring.....	247
Prompt Structuring Templates.....	248
Chapter 8: Prompt Responses: Types and Structures	263
Types of Responses.....	264
Response Structure.....	270
Chapter 9: Errors and Limitations of ChatGPT	279
Main Issues of ChatGPT and How to Overcome Them.....	279
Typical Scenarios Where ChatGPT Encounters Challenges.....	280
Chapter 10: Cascading Prompts	288
Chapter 11: Generating Prompts with ChatGPT	303
Simple Method for Generating Prompts Using ChatGPT.....	304
Method for Refining Prompts with ChatGPT.....	306
Method of Using Auxiliary Prompts.....	312
Chapter 12: Modules	321
Initialization and Preparation	
Module 1: Setting the Role.....	323
Module 2: Model Initialization and Characterization.....	323

Module 3: Model Initialization and Characterization (Simplified)	324
Module 4: Defining the Objective.....	324
Module 5: Describing the Prompt Topic.....	325
Module 6: Requesting Information from the User.....	326

Planning and Strategy

Module 7: Creating a Plan or Structure Before Executing the Prompt Task.....	327
Module 8: Plan Approval by the User.....	328
Module 9: Developing an Action Plan to Complete the Prompt Task.....	329
Module 10: Reviewing and Refining the Action Plan.....	330
Module 11: Analysis and Planning.....	331
Module 12: Identifying the Topic, Field of Activity, and the Need for Expert Assistance.....	332

Data Collection and Analysis

Module 13: Audience Research.....	333
Module 14: Market Research.....	335
Module 15: Innovations and Trends.....	336
Module 16: Gathering Key Information.....	337

Creation, Execution, and Iterations

Module 17: Generating Questions on a Given Topic.....	337
Module 18: Creating the Prompt.....	339
Module 19: Executing the Task Based on the Approved Plan.....	340
Module 20: Task Execution.....	342
Module 21: Iterative Process.....	343

Methods and Techniques for Problem Solving

Module 22: Program Development (Iterative Approach)	345
Module 23: Applying Unconventional Methods.....	347
Module 24: Identifying Methods and Techniques to Solve the Task.....	348
Module 25: Selecting Methods and Techniques to Solve the Task.....	349
Module 26: Illustrating the Interaction Between Methods to Accomplish the Task.....	350

Evaluation and Feedback

Module 27: Assessing Customer Satisfaction with the Prompt Response.....	352
Module 28: Providing Feedback to the User and Improving the Response.....	353
Module 29: Evaluating and Enhancing the Response.....	354
Module 30: Response Quality.....	355
Module 31: Defining Prompt Quality Criteria.....	356
Examples of Prompts Using Multiple Modules.....	357

Chapter 13: Prompt Templates.....	363
--	------------

Education and Learning

Template 1: Online Course.....	364
Template 2: Study Guide.....	366
Template 3: Webinar.....	367
Template 4: Multiple-Choice Quiz.....	368
Template 5: Assessment Test.....	369
Template 6: Open-Ended Test.....	369
Template 7: Task or Process Checklist.....	370
Template 8: Learning Checklist.....	370
Template 9: General Checklist.....	370
Template 10: Professional Development Training.....	371
Template 11: Video Course.....	372
Template 12: Lesson Structure for Any Subject.....	373
Template 13: Lesson Text Creation for Any Subject.....	374
Template 14: Create a Test on [Topic]	375
Template 15: Create an Assessment on [Topic]	375
Template 16: Annual Goals List with Approval/Decline Options.....	375

Advertising and Marketing

Template 17: Ad Copy.....	376
Template 18: Social Media Post.....	377
Template 19: Email Newsletter.....	378
Template 20: Website Article.....	378
Template 21: Frequently Asked Questions (FAQ)	379
Template 22: Ideas for Improving Customer Service.....	380
Template 23: Professional Ad Copy for [Service]	381
Template 24: Professional Ad Copy for [Product]	381

Writing and Editing

Template 25: Editing Academic Articles.....	382
Template 26: Brainstorming Ideas.....	383
Template 27: Writing Posts and Descriptions.....	383
Template 28: Creative Startup Ideas.....	384
Template 29: Universal Greeting Messages.....	384
Template 30: Writing an Article Introduction.....	385
Template 31: Universal Motivational Quotes.....	385
Template 32: Writing Thank-You Letters.....	385
Template 33: Blog Topic Ideas on Any Popular Subject.....	386
Template 34: Podcast Topic Ideas for a Specific Industry.....	386
Template 35: Universal Book Reviews.....	387
Template 36: Movie Reviews.....	387
Template 37: Grammar and Style Check.....	388
Template 38: Standard Business Letter Structure.....	388

Feedback and Engagement

Template 39: Standard Feedback Requests.....	389
Template 40: Replies to Social Media Trolls.....	389
Template 41: Provocative Responses to Social Media Trolls.....	390
Template 42: Replies to Social Media Comments.....	390
Template 43: Discussion Questions on General Topics.....	391
Template 44: Customer Email Response.....	391

Research and Analysis

Template 45: Social Initiative Ideas.....	392
Template 46: Target Audience Analysis for a Product.....	392
Template 47: Creating Surveys.....	393
Template 48: Social Media Polls.....	393
Template 49: Industry News Summary.....	394
Template 50: Universal Skill Improvement Tips.....	394
Template 51: Interview Questions on Any Topic.....	395

Chapter 14: Auxiliary Prompts.....396

Preparing and Structuring the Prompt

Auxiliary Prompt 1: Formulating the goal, context, and objectives of the prompt.....	398
Auxiliary Prompt 2: Defining the goal, context, audience, and objectives before creating the prompt.....	398
Auxiliary Prompt 3: Overview of the topic/field.....	399
Auxiliary Prompt 4: Reviewing and structuring the topic: key aspects and challenges.....	400

Generating and Implementing Ideas

Auxiliary Prompt 5: Overview of specialized and innovative aspects of the field.....	401
Auxiliary Prompt 6: Generating innovative ideas for a project.....	402
Auxiliary Prompt 7: Non-standard solutions for complex problems.....	402
Auxiliary Prompt 8: Detailed implementation of an idea.....	403

Analyzing and Optimizing Prompts

Auxiliary Prompt 9: Optimizing and improving the prompt.....	403
Auxiliary Prompt 10: Simplifying and optimizing the prompt.....	404
Auxiliary Prompt 11: Comparing and evaluating prompts.....	404
Auxiliary Prompt 12: Evaluating the effectiveness of prompts.....	405
Auxiliary Prompt 13: Analyzing and improving the prompt.....	406
Auxiliary Prompt 14: Evaluating the structure and logic of the text.....	406
Auxiliary Prompt 15: Identifying and eliminating redundancies.....	406
Auxiliary Prompt 16: Evaluating semantic integrity.....	407
Auxiliary Prompt 17: Evaluating coherence and logical structure.....	407
Auxiliary Prompt 18: Optimizing the prompt to achieve the goal.....	407
Auxiliary Prompt 19: Analyzing weak points of the prompt.....	408
Auxiliary Prompt 20: Checking logical consistency.....	408

Auxiliary Prompt 21: Evaluating the optimal length of the prompt.....	408
Auxiliary Prompt 22: Analyzing the logical structure of the prompt.....	409
Auxiliary Prompt 23: Checking grammar and spelling.....	409

Personalization and Adaptation

Auxiliary Prompt 24: Adapting to the audience and goal.....	409
Auxiliary Prompt 25: Reformatting based on preferences.....	410
Auxiliary Prompt 26: Adapting the prompt to the context.....	411
Auxiliary Prompt 27: Multidisciplinary analysis of the problem.....	411
Auxiliary Prompt 28: Step-by-step adaptation of interdisciplinary analysis.....	411
Auxiliary Prompt 29: Integrating data for in-depth analysis.....	412

Automating Prompt Creation

Auxiliary Prompt 30: Iterative creation of the perfect prompt.....	412
Auxiliary Prompt 31: Creating and evaluating the optimal prompt.....	413
Auxiliary Prompt 32: Structural creation and optimization of the prompt.....	414
Auxiliary Prompt 33: Creating a structured prompt.....	415

Evaluating and Testing Prompts

Auxiliary Prompt 34: Evaluating the quality of the response.....	415
Auxiliary Prompt 35: Evaluating the clarity of the response.....	416
Auxiliary Prompt 36: Analyzing the effectiveness of the prompt.....	416
Auxiliary Prompt 37: Evaluating the achievement of the prompt's goals.....	417
Auxiliary Prompt 38: Comparative analysis of prompts.....	417
Auxiliary Prompt 39: Evaluating the quality of the prompt.....	418
Auxiliary Prompt 40: Comparing the effectiveness of prompts.....	419
Auxiliary Prompt 41: Comparative analysis of prompts.....	420

Documentation and Archiving

Auxiliary Prompt 42: Prompt Card.....	421
Auxiliary Prompt 43: Prompt Cataloger.....	422
Auxiliary Prompt 44: Prompt Change Analysis.....	423

Chapter 15: Step-by-Step Task Execution.....

Task 1: Creating a Fairy Tale.....	426
Task 2: Manipulation.....	470
Task 3: Creating Historical and Fictional Characters for Dialogues.....	515
Task 4: Stocks.....	558

Conclusion.....
