I started this quest

Today was a nice until I jumped off the cliff when a monster attacked me! What's that? You want me to tell you the story of what happened today. Ok I will but please do not stop me during this story. First my name is Jason Stonehouse now we are starting my starting my story!

"I'm was going on fliedtrip today for school Mom!" I said

"I can't wait to hear all about honey." Mom said

Little did she know that she would never hear about that fliedtrip that I was waiting for today. When I got to school I relized I needed a nerf gun. I had no clue why my school told me to bring one because nerf guns are banned. when I got on the bus my friend Spencer Tauge told me that we didn't need nerf guns that was a rumer that he made to see who was stuid enough to bring one! When we got on the road a tire on the bus popped and everone got out. I noticed that we were by a cliff then I saw and terrifing monster running at me! I did the most stuid thing I will ever do in my life. I jumped off the cliff. As I was falling to my death I screamed to Spencer

"You can have my stuff because I will not need it anymore!" Specer shouted to me

"Hang in there because I'm jumping in with you"

I shouted back "No Spence—"

I had hit the water at the botom of the cliff and ever-

thing started to go black! Then right before I blacked out
Spencer and the monster hit the water and we all started
to die under water
