CONTENTS

Conflux Books

Books for technologists by technologists

Our books help to accelerate and deepen your learning in the field of software systems. We focus on subjects that don't go out of date: fundamental software principles & practices, team interactions, and technology-independent skills.

Current and planned titles in the *Conflux Books* series include:

1. *Build Quality In* edited by Steve Smith and Matthew Skelton (B01)
2. *Better Whiteboard Sketches* by Matthew Skelton (B02)
3. *Internal Tech Conferences* by Victoria Morgan-Smith and Matthew Skelton (B03)
4. *Technical Writing for Blogs and Articles* by Matthew Skelton (B04)

Find out more about the *Conflux Books* series by visiting: confluxbooks.com

About the author

Matthew Skelton is Head of Consulting at Conflux (confluxdigital.net), where he specialises in Continuous Delivery, operability and organisation dynamics for software in manufacturing, ecommerce, and online services.

Recognised by TechBeacon in 2018 as one of the top 100 people to follow in DevOps, Matthew curates the well-known DevOps team topologies patterns at devopstopologies.com and is co-author of the books *Continuous Delivery with Windows and .NET* (O'Reilly, 2016), *Team Guide to Software Operability* (Skelton Thatcher Publications, 2016), and *Team Topologies* (IT Revolution Press, 2019).
