

Self-Reliance Fall 2018

Being temporally and spiritually self-reliant is central to God's plan for each of us. President Dieter F. Uchtdorf has taught, "Like two sides of a coin, the temporal and spiritual are inseparable"

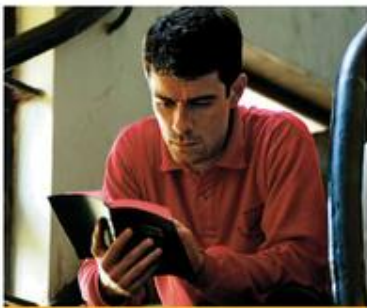

Self Reliance in our Stake and how you can get involved!

We have asked your Bishopric to select and invite 10-12 members of your Ward to attend the Self Reliance Initiate this fall. If you would like to attend, PLEASE contact your Bishop or a Counselor. You are **MORE THAN WELCOME** to attend!

All Participants will be invited to the kick off "Devotional" to be held on September 6th at 7pm. At the Devotional each Participant is given information on the Four Courses offered and they are asked to select a group/course they want to attend. The First class (of the 12 week program) will be held on Sept 13th at 7pm. The Course is offered for the following 12 consecutive weeks. Each Thursday evening at 7pm we meet in the Stake Center. Afterward we enjoy goodies, treats and sometimes pizza before we depart!

Self-Reliance Initiative not only provides vital strength in temporal matters, but possibly more importantly allows those who attend and engage, to learn more fully how to receive and recognize ‘personal revelation’.

*President Nelson advised us, “....If we are to have any hope of sifting through the myriad of voices and the philosophies of men that attack truth, we must learn to **receive revelation.**” “And then listen! Write the thoughts that come to your mind. Record your feelings and follow through with actions you are prompted to take. As you repeat this process day after day, month after month, year after year, you will ‘grow into the **principle of revelation.**’ “My dear brothers and sisters, I plead with you to increase your spiritual capacity to receive revelation*
