February 2019

A message from the FAPSC Board of Directors:

It is with great pleasure that I announce to you that the Florida Association of Postsecondary Schools and Colleges (FAPSC) has hired a new Executive Director, Allen Mortham Jr., effective Monday, February 4, 2019.

Curtis Austin has announced his retirement and on behalf of the FAPSC organization and members, we thank him for his many years of service to Florida schools.

Allen is not new to our organization, having lobbied for us over the past several years. He worked for Mortham Governmental Consultants and has learned a great deal about our schools and students at both the state and federal levels. Prior to working as a lobbyist, he was a policy advisor for the Florida Department of Education in the Office of Early Learning. Over the years he worked for Governor Scott as well as Governor Bush in various positions.

We look forward to some trend setting goals and ideals to put us on the path for even greater success in the future.

Debra Weninger, President
FAPSC Board of Directors
