

MORTHAM GOVERNMENTAL CONSULTANTS, LLC

Mortham Governmental Consultants is pleased to welcome Debbie Pujol Mortham to the team.

Debbie Mortham brings close to 30 years of legislative, political, and advocacy experience to MGC. She has worked both inside and outside the governmental process specializing in Education, Health Care, and Children's Advocacy issues.

For the last six years, she served as the Legislative Director for the Foundation for Florida's Future working on an array of education and workforce issues, as well as representing the Foundation on national and state forums. Previously, she served as the Legislative Director for the Florida Coalition for Children.

She began her political career as legislative aide with Representative Miguel DeGrandy (R)-Miami before doing grassroots and campaign work with the Republican Party of Florida for the South region of the state. Debbie joined the Department of Children and Families' legislative team under Governor Jeb Bush.

"I am thrilled to have Debbie join me in the arena. She has the brains and talent to handle most any issue that would come forward in the legislative process," said Sandy Mortham.

Debbie Mortham is married to Allen and they have two children, Allen III and Sofia.
