

***Writing Resources***  
**Becky Samitore-Durand**

Here is a list of great online resources for improving your academic writing.

1. <http://citationmachine.net/> - helps with citations and works cited/bibliography
2. [http://www.mlahandbook.org/fragment/public\\_index](http://www.mlahandbook.org/fragment/public_index) - MLA is the gold standard and often the required style for research papers
3. <http://www.apastyle.org/> - APA is often used by instructors as the writing style/citation they prefer
4. <http://academicwritingtips.org/> - this is a site for tips on writing academically
5. <http://www.junketstudies.com/rulesofw/> - 11 Rules of Writing
