

**Matching and Fill in the Blank Test**  
**Becky Samitore-Durand**

1. \_\_\_\_\_ tests are still the most common type of test, requiring students to write answers on the test pages or in a separate test booklet.
2. \_\_\_\_\_ tests allow the student to consult their notes, textbook, or both while taking the exam.
3. Match the following terms with their appropriate definitions:
  - a. Weekly quiz                      1. A type of formative assessment
  - b. Discuss                              2. Your own personalized study guide
  - c. Class notes                        3. To describe the meaning of a word, phrase, or concept
  - d. Study Group                        4. To describe pros and cons and compare them
  - e. Define                                5. Three or four students from a class who meet regularly to review class material and encourage each other
