## Assessment Categories:

Leadership, Strategy & Goals	Data Quality & Data Assurance	Communication
<ul style="list-style-type: none"><li>• Executive Leadership Commitment</li><li>• Strategy &amp; Goal-setting</li><li>• Treatment of Triple Bottom Line</li><li>• Product-level vs. Corporate-level Content</li><li>• Stakeholder Engagement</li></ul>	<ul style="list-style-type: none"><li>• Data Scope</li><li>• Data Quality</li><li>• Materiality Assessment</li><li>• External Verification</li></ul>	<ul style="list-style-type: none"><li>• Style</li><li>• Accessibility</li><li>• Continuity</li></ul>

## Rating Scale:

Reviews analyze and rate all 12 assessment categories by the following levels of effective reporting:

- ◆ Excellent and on par with best-in-class reporting practices
- ◆ Very good, but a little behind best in-class reporting practices
- ◆ Needs significant improvement to catch up with best-in-class reporting practices

## Member Feedback:

*“Fantastic tool — clear, simple, digestible, and insightful. Really, really helpful.”*  
– Kirk Myers, Senior Manager Sustainability, REI
