About this Document

This document includes your personalized settings and configurations for the client(s) installed on devices. It also includes licensing information for apps, plugins, and other modules.

Personalized Client Settings

The following information and general settings are provided by Scanco, and are specific only to your company.

NOTE: User names and passwords may be assigned based on user roles or uniquely assigned for each user. Ensure you record those in a separate, secure place.

Setting Name	Personalized Setting	Use/Notes
Account		Provided by Scanco; unique for each customer.
Company Code		List of companies where Warehouse or Manufacturing will be functioning.
Master Token		Used in conjunction with ACU Account ID. Must be correct for synchronization to work.
ACU Account ID		Used to link to support site. Must be correct for synchronization to work.
ACU API URL		
Licenses (Warehouse)		
Licenses (Manufacturing)		
Licenses (SkyPrint)
