Driving Directions To Cedar Lake 山路崎嶇，駕駛小心，記得繫上安全帶

Cedar Lake is above the southwest shore of Big Bear Lake, Just west of the Village of Big Bear Lake.

Heading East from Los Angeles and San Bernardino, exit **I-10** onto FWY 30W at Redlands (the signs may say: Mtn. Resorts, Big Bear, or Running Springs). Take **30W** about 3 miles exit right onto **CA-330** northeastbound. At Running Springs, 330 ends and you join **CA-18** to Big Bear. Pass through the community of Arrowbear, past Snow Valley and the Arctic Circle, to the dam at Big Bear Lake.

At the dam, make a right turn and pass over dam itself. After passing Boulder and Metcalf Bay on your left, you'll pass the **Town Hall/Performing Arts Center** on the right. About 2/10 mile further, make a right turn onto **Tulip Lane** (before reaching Log Cabin Restaurant). About 1/4 mile further, past the closed USFS campground on your right, turn right onto **Mill Creek Road** (Forest Service Road 2N10).

Take Mill Creek Road to the end of the pavement, about 1 mile, and continue straight ahead onto the Cedar Lake driveway about 1/4 mile to the Gatehouse, the first building on the right.

Welcome to Cedar Lake.
