

Thank you for your order!

Thank you so much for you order.

And I hope you have a whole load of fun making your embankment – and all from one piece of paper too!

Here's a pics of John's so you can see what can do, but really it's only limited by your imagination.

Don't forget the youtube too:

Now scroll down for the print outs.

Have fun – and don't forget to send in pics.

Best

Al
