Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Lot Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used to (1) promote the recreation, health and welfare of the Lot Owners, (2) for the cost of such insurance as the Association is required by its Articles of Incorporation, By-Laws or this Declaration, to purchase and maintain, (3) for the improvement and maintenance of the Common Area(s), and the facilities thereon, including, but not limited to the fences in any easement areas, (4) for the maintenance of the sidewalks located within the utility and sidewalk easements within the Subdivision, (5) for the payment of all expenses relating to the maintenance and upkeep of the Private Sanitary Sewer Lift Station, and (6) for the repair, quality, upkeep, and maintenance of the storm water and/or surface water run off detention basins or ponds owned by the Association and the Waters Ditch, to the extent the Lots of Lot Owners are subject to assessment therefor or liable therefor, including but not limited to, any amounts due for the required maintenance agreement with the City of Fort Wayne.

In addition, assessments shall be levied by the Association for maintenance and repairs of lawns and landscaping approved by the Architectural Control Committee, which shall include but shall not be limited to the fertilizing, mowing, and replanting when necessary of the grass, all of which shall hereinafter be referred to as "Common Area for Maintenance Purposes" and the cost of which shall hereinafter be referred to as of the "Common Expenses". In addition, the Board shall perform such other functions as may be designated for it to perform under the Declaration.

Notwithstanding any obligation or duty of the Association to repair or maintain any of the Common Area for Maintenance Purposes, if, due to the willful, intentional or negligent acts or omissions of any Lot Owner or of a member of his family or of a guest, tenant, invitee, or other occupant or visitor of such Lot Owner, damage shall be caused to the Common Area for Maintenance Purposes, the Lot Owner shall pay for such damage and such maintenance, repairs and replacements, as may be determined by the Association, unless such loss is covered by the Association's insurance with such policy having a waiver of subrogation clause. If not paid by such Lot Owner upon demand by the Association, the cost of repairing such damage shall be added to and become a part of the assessment which such Lot Owner's Lot is subject.

The authorized representatives of the Association, the Board and the Managing Agent for the Association (if any) shall be entitled to reasonable access to any Lot or Dwelling Unit as may be required in connection with maintenance, repairs, or replacements of or to the Common Area and items deemed Common Area for Maintenance Purposes.

The Association shall be obligated to maintain, repair and/or replace, if necessary, any storm water detention system consisting of any storm water detention basin together with its outlet and water level control structures, as may be filed with the Allen County Plan Commission in conjunction with this subdivision, approval of which has been granted for the use and benefit of this Subdivision, the cost of which shall be borne by all of the Lot Owners and subsequent Lot Owners of Lots in Subdivision.

The Lot Owner of any Lot in any section of Subdivision, and/or the Allen County Drainage Board, or its successor agency, shall have the right to order the Association to carry out its obligation to maintain, repair, and/or replace any storm water drainage system and storm water detention system improvements, as above provided, and to assess the Lot Owners of all Lots in Subdivision with the cost thereof.

Section 3. Maintenance by Lot Owners. Each Lot Owner shall, at his own expense, be responsible for, and shall promptly perform as the need therefore arises, all maintenance, repairs, and decoration of the interior of his Dwelling Unit and garage. In addition, each Lot Owner shall furnish and be responsible for the maintenance of all portions of his Lot, except for such portions thereof as may, in accordance with the terms of this Declaration, be designated as a part of the Common Area for Maintenance Purposes. Lot Owner shall maintain outside of garage door and front door. All fixtures and equipment installed within or as part of a Lot, commencing at the points where the public utility lines, pipes, wires, conduits, or systems enter the Lot shall be maintained and kept in repair by the Lot Owner thereof. Each Lot Owner shall promptly perform all maintenance and repair of his Lot which, if neglected, might adversely affect any other Lot or any part of the Common Area or Common Area for Maintenance Purposes. Such maintenance and repairs include but are not limited to plumbing and related systems and components thereof including fixtures and appliance attached hereto, electric lines, gas lines, appliances, and all other fixtures, equipment, landscaping added by the Lot Owner, such as trees, bushes, flower beds and other such landscaping, and accessories belonging to the Lot Owner and a part of or appurtenant to his Lot.

If any Lot Owner shall fail to properly maintain any of the foregoing to the satisfaction of the Association, then the Association shall have the right to provide such maintenance, and replacement if necessary, and to include the costs thereof as an assessment against the Lot upon which said labor and material are furnished; and such assessment shall be assessed as "Restoration Assessment" as provided in Article V, Section 4(E).

Section 4. Assessment

A. Annual Accounting. Annually, after the close of each fiscal year of the Association and prior to the date of the annual meeting of the Association following the end of such fiscal year, the Board of Directors of the Association shall cause to be prepared and to be furnished to each Lot Owner a financial statement, which statement shall show all receipts and expenses received, incurred and paid during the preceding fiscal year.

B. Proposed Annual Budget. Annually, on or before the date of the annual meeting of the Association, the Board of Directors shall cause to be prepared a proposed annual budget for the current fiscal year estimating the revenue and expenses (including but not limited to Common Expenses) for the current fiscal year, and estimating any surplus or deficit as of the end of the current fiscal year. Before the annual meeting, each Lot Owner shall be provided, either by mail or by hand-delivery a copy of such proposed budget and a written notice of the amount of any increase or decrease in the Regular Assessment to be paid by the Lot Owners that would occur if the proposed budget is approved. The annual budget shall be submitted to the Lot Owners at the annual meeting of the Association or adoption and, if so adopted, shall be the basis for the Regular Assessments (hereinafter defined) for the current fiscal year. At the annual meeting of the Lot Owners, the budget may be approved in whole or in part or may be amended in whole or in part by a majority vote of the quorum of both classes of Lot Owners' provided that any increase of more than twenty percent (20%) must be approved by a vote of sixty-five percent (65%) of a quorum of both classes of Lot Owners who are voting in person or by proxy. If the number of Lot Owners in attendance at an annual meeting does not constitute a quorum, the Board may adopt an annual budget for the Association for the ensuing year in an amount that does not exceed one hundred percent (100%) of the amount of the last approved annual budget. The annual budget, the Regular Assessments and all other sums assessed by the Association shall be established by using generally accepted accounting principles applied on a consistent basis. The annual budget and the Regular Assessments shall, in addition, be established to include the establishment and maintenance of a replacement reserve fund for capital expenditures and replacement and repair of the Common Area and items deemed Common Area for Maintenance Purposes, which replacement reserve fund shall be used for those purposes and not for usual and ordinary maintenance expenses of the common Area and Common Area for Maintenance Purposes. Such replacement reserve fund for capital expenditures and replacement and repair of the Common Area for Maintenance Purposes shall be maintained by the Board in a separate interest bearing account or accounts, with one or more banks or savings and loan associations authorized to conduct business in Allen County, Indiana, selected from time to time by the Board.

C. Regular Assessments. The annual budget as adopted by both classes of the Lot Owners shall, based on the estimated cash requirement for the Common Expenses in the current

fiscal year as set forth in said budget, contain a proposed equal assessment against each Lot owned by a Class A Member.

Immediately following the adoption of the annual budget, each Class A Lot Owner shall be given written notice of such assessment against his respective Lot (herein called the "Regular Assessment"). In the event the Regular Assessment for a particular fiscal year is initially based upon a temporary budget, such assessments shall be revised, within fifteen (15) days following adoption of the final annual budget by the Lot Owners, to reflect the assessment against each Lot based upon such annual budget as finally adopted by the Lot Owners. The aggregate amount of the Regular Assessments shall be equal to the total amount of expenses provided and included in the final budget, including reserve funds as hereinabove provided.

The Regular Assessment against each Lot, excepting the Lot Owners in Class B, shall be paid in advance in equal monthly installments commencing on the first day of the first month of each fiscal year and monthly thereafter through and including the first day of the last month of such fiscal year and monthly thereafter through and including the first day of the last month of such fiscal year. Payment of the monthly installments of the Regular Assessments shall be made to the Board of Directors; provided, however, Lot Owners may elect to pay monthly assessments semi-annually or annually, in advance. At the election and option of the Board, the Regular Assessments may be required to be paid by the Lot Owners in advance in equal monthly instalments rather than quarterly installments. In the event the Regular Assessment for a particular fiscal year of the Association was initially based upon a temporary budget,

(I) if the Regular Assessment based upon the final annual budget adopted by the Lot Owners exceeds the amount of the said assessment based upon the temporary budget, that portion of such excess applicable to the period from the first day of the current fiscal year to the date of the next payment of the Assessment which is due shall be paid with such next payment, and such next payment and all payments thereafter during such fiscal year, whether quarterly or monthly, shall be increased so that the Regular Assessment as finally determined shall be paid in full by the remaining payments due in such fiscal year; or

(II) if the Regular Assessment based upon the temporary budget exceeds the said Assessment based upon the final annual budget adopted by the Lot Owners such excess shall be credited against the next payment or payments of the said Assessment coming due, whether quarterly or monthly, until the entire amount of such excess has been so credited, provided, however that if a Lot Owner has paid his Regular Assessment either semi-annually or annually in advance, then the adjustments set forth above shall be made by a cash payment, or refund to, the Lot Owner on the first day of the second month following the determination of the Regular Assessment based upon the annual budget finally adopted by the Lot Owners.

The Regular Assessment for the current fiscal year of the Association shall become a lien on each separate Lot as of the first day of each fiscal year of the Association, even though the final determination of the amount of such Assessment may not have been made by that date. The fact that a Lot Owner has paid his Regular Assessment for the current fiscal year in whole or in part based upon a temporary budget and thereafter, before the annual budget and Regular Assessment are finally determined, approved and adjusted as herein provided, sells, conveys or transfers his Lot or any interest therein, shall not relieve or release such Lot Owner or his

successor as owner of such Lot from payment of the Regular Assessment for such Lot as finally determined such Lot Owner and his successor as owner of such Lot shall be jointly and severally liable for the Regular Assessment as finally determined. Any statement of unpaid assessment furnished by the Association prior to the final determination and adoption of the annual budget and Regular Assessment of the year in which such statement is made shall state that the matters set forth therein are subject to adjustment upon determination and adoption of the final budget and Regular Assessment for such year, and all parties to whom any such statement may be delivered or who may rely thereon shall be bound by such final determinations. Quarterly or monthly (if so determined by Board) installments of Assessment shall be due and payable automatically on their respective due dates without any notice from the Board of the Association, and neither the Board nor the Association shall be responsible for providing any notice or statements to Lot Owner for the same.

D. Special Assessments. From time to time Common Expenses of an unusual or extraordinary nature or not otherwise anticipated may arise. At such times, unless otherwise provided in this Declaration, the Articles or the By-Laws, the Board shall have the right, power and authority to make Special Assessments which, upon resolution of the Board, shall become a lien on each Lot owned by a Class A Member, pro-rated in equal shares (herein called "Special Assessment"); provided, that any such assessment shall have the assent of sixty-five percent (65%) of the votes of a quorum of the Lot Owners of both Classes who are voting in person or by proxy at a meeting duly called for this purpose. Without limiting the generality of the forgoing provision, Special Assessments may be made by the Board from time to time to pay for capital expenditures and to pay for the cost of any repair or reconstruction of damage caused by fire or other casualty or disaster to the extent insurance proceeds are insufficient therefore under the circumstances described in this Declaration; provided however that special assessments shall be limited as follows:

(I) The Board may not enter into any contract that would result in a new assessment or the increase in an existing assessment payable by the Lot Owners in the amount of more than Five Hundred Dollars (\$500) per year for each Lot Owner unless: (1) The Board holds at least two (2) meetings concerning the contract; and (2) the contract is approved by the affirmative vote of at least two-thirds (2/3) of the Lot Owners. The Board shall give notice of the first Association meeting held under this subsection to Lot Owner and at least seven (7) calendar days before the meeting occurs.

(II) Neither the Association nor the Board may borrow money during any calendar year on behalf of the Association in an amount that exceeds the greater of (1) five thousand dollars (\$5,000) during any calendar year; or (2) an amount equal to at least twenty percent (20%) of the previous annual budget of the Association, unless borrowing the money is approved by the affirmative vote of a majority of the Lot Owners. A vote held under this subsection must be conducted by paper ballot. The Association shall distribute paper ballots to Lot Owners eligible to vote under this subsection at least thirty (30) days before the date the votes are to be opened and counted. Votes cast under this subsection shall be opened and counted at a public meeting held by the Association.

E. Restoration Assessments. In the event a Class A Lot Owner fails to properly maintain his Lot in accordance with Article V, Section 3, the Association may levy a Restoration Assessment upon any Lot whose Lot Owner fails to maintain such Lot as required therein. Restoration Assessment shall be limited to the actual amount necessary to meet the cost of restoration and cost of collection thereof. The Association may levy a Restoration Assessment upon any Lot whose Lot Owner fails to maintain such Lot, as required herein. Restoration Assessments shall be limited to the actual amount necessary to meet the cost of restoration and cost of collection thereof.

F. Failure of Lot Owner to Pay Assessments. Remedies of the Association. No Class A Member Lot Owner may exempt himself from paying assessments, whether they be Regular Assessments, Special Assessments, or Restoration Assessments, or from contributing toward the expenses of administration and of maintenance and repair of the Common Area and items deemed Common Areas for Maintenance Purposes, and toward any other expense lawfully agreed upon, by waiver of the use or enjoyment of the Common Area Properties or by abandonment of the Lot belonging to him. Each Class A Member Lot Owner shall be personally liable for the payment of all assessments.

When the Lot Owner constitutes more than one person, the liability of such persons shall be joint and several. If a Lot Owner fails to pay any assessment for a period of more than six (6) months, the Board may suspend the voting rights of such Lot Owner. In addition, if any Lot Owner shall fail, refuse, or neglect to make any payment of any assessment when due, the lien for such assessment of the Lot Owner's Lot may be filed and foreclosed by the Board for and on behalf of the Association as a mortgage on real property or as otherwise provided by law. Upon the failure of a Lot Owner to make timely payments of any assessments, when due, the Board may in its discretion, accelerate the entire balance of the unpaid assessments and declare the same immediately due and payable, notwithstanding any other provisions thereof to the contrary. In any action to foreclose the lien for any assessments, the Lot Owner and any occupant of the Lot shall be jointly and severally liable for the payment to the Association of reasonable rental for such Lot, and the Board shall be entitled to the appointment of a receiver for the purpose of preserving the Lot and to collect the rentals and other profits therefrom for the benefit of the Association to be applied to the unpaid assessments. The Board may, at its option, bring a suit to recover a money judgment for any unpaid assessment without foreclosing or waiving the lien securing the same. In any action to recover an assessment, whether by foreclosure or otherwise, the Board, for and on behalf of the Association, shall be entitled to recover from the Lot Owner of respective Lot costs and expenses of such action incurred (including but not limited to reasonable attorney's fees) and interest from the date such assessments were due, until paid, at a rate equal to the "prime interest rate" then being charged by Banks of Fort Wayne, Indiana, to its largest and best corporate customers (or if said Bank is no longer in existence, then such rate charges by another bank in Allen County, Indiana, selected by the Board).

G. Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Notwithstanding anything contained in this section or elsewhere in this Declaration, the Articles or the By-Laws, any sale or transfer of a Lot to a mortgagee pursuant to a foreclosure on its mortgage or conveyance in lieu thereof, or a

conveyance to any person at a public sale in the manner provided by law with respect to mortgage foreclosures, shall extinguish the lien of any assessment as to such installments which became due prior to such sale, transfer, or conveyance, provided, however, that the extinguishment of such lien shall not relieve the prior Lot Owner from personal liability therefore. No such sale, transfer, or conveyance shall relieve the Lot or the purchaser at such foreclosure sale, or grantee in this event of conveyance in lieu thereof, from liability for any installment of Regular Assessments, Special Assessments or Restoration Assessments thereafter becoming due or from the lien therefor. Such unpaid share of any assessment, the lien for which has been divested as aforesaid, shall be deemed to be a Common Expense, collectively from all Lot Owners (including the party acquiring the subject Lot for which it arose).

ARTICLE VI ARCHITECTURAL CONTROL COMMITTEE

The "Architectural Control Committee" shall mean the body designated herein to review plans and to grant or withhold certain approvals in connection with improvements and developments. The Committee shall be composed of three (3) members initially appointed by the Developer. Any vacancies from time to time shall be filled pursuant to the terms of these Restrictions or the By-Laws of the Association.

ARTICLE VII ARCHITECTURAL CONTROL

Section 1. General Approval. No building, roof, fence, wall or other structure of any kind whatsoever, nor any exterior addition to or change or alteration therein (all such buildings, roofs, fences, walls, structures, additions, changes, and alterations being herein called "improvements") shall be commenced, erected or maintained upon any Lot until two (2) sets of plans and specifications showing the nature, kind, shape, height, materials, and the location of the same shall have been submitted to and approved in writing as to harmony of external design and the location in relation to surrounding structures and topography by the Architectural Control Committee. In the event the Architectural Control Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion therefore, approval will not be required and this Article will be deemed to have been fully complied with. All improvements shall be constructed in accordance with the plans and specifications submitted to and approved in writing by the Architectural Control Committee, and any improvements not so constructed shall be subject to immediate removal and the Lot shall be restored to its condition prior thereto, all at the Lot Owner's expense. In the event the Association shall prevail in any litigation brought for the purpose of enforcing compliance with the provisions of this Article VI, the Association shall be entitled to recover from the Lot Owner(s) reasonable attorney's fees and cost incurred by the Association in such enforcement.

All roof replacements on the Lots shall be reviewed and approved by the Architectural Control Committee. In reviewing and approving all roof replacements, the Architectural Control Committee shall consider such matters, including but not limited to, the color of the roof, removing the existing shingles and the compatibility of the new proposed roof with existing and surround roofs in the Subdivision. The Lot Owner shall jointly submit two (2) sets of plans to the Architectural Control Committee and approved prior to the commencement of work on the roof. All replacement roofs must be inspected by two (2) reputable roofing companies or licensed inspectors and their inspection report shall be submitted in writing to the Architectural Control Committee for review and approval. The Architectural Control Committee shall have sole and absolute discretion to determine whether or not a roof will be replaced and to review and approve the plans and specifications for replacement. If the roof is replaced, the objecting Lot Owner must comply with the covenants of this Declaration.

Section 2. Exterior Decoration. The exterior of each and every Unit shall be decorated, at the Lot Owner's expense, with uniform colors and material, which exterior decoration shall be agreed upon by the Lot Owner of the respective Dwelling Unit. The necessity and time for making such exterior decoration shall also be determined by the Architectural Control Committee. If any Lot Owner shall fail or refuse to pay the cost of such uniform decoration of the Dwelling Unit owned by him/her, the Board may have the exterior work performed, have a lien placed against the Lot Owner's Lot and Dwelling Unit, and seek enforcement of these covenants pursuant to Article VIII, Section 26.

Section 3. Covenants Running with the Land. The right of any Lot Owner to contribution from any other Lot Owner under this Article VII shall be appurtenant to the Lot and shall pass to such Lot Owner's successor in title. The easements created by this Article VII are and shall be perpetual and construed as covenants running with the land and each and every person accepting a deed to any Lot and any Dwelling Unit shall be deemed to accept the deed with the understanding that each and every other purchaser is also bound by provisions of this Article VII, and each and every purchaser, by accepting a deed to any Lot shall thereby consent and agree to be bound by the covenants in this Article VII to the same extent as though he had signed this instrument.
