### Mission Statement:

We are ranked as the number one high school in California, and twelfth in the nation. American Indian Public High School serves 350 inner-city 9th – 12th grade students. The focus of AIPHS is excellent student attendance (97 percent). This has been the foundation to ensure academic success in English literature and mathematics. The curriculum has been designed to enhance the academic skills of socio-economically disadvantaged students. AIPHS also provides instruction that develops the students' academic skills in writing, science, social science, business, and the humanities in order to be productive members in a capitalist society. This will be a collaborative effort between school, family, and community members. Every year, 100 percent of AIPHS's students are accepted into 4-year colleges, including UC Berkeley, MIT, Cornell, Columbia, UC Davis, Dartmouth, Wesleyan, Princeton, University of British Columbia, and NYU.

### School Hours

**School Day:**  
8:00am - 4:30pm

### Before School Program
