

In Country

*They plant you as you fall
In different sections one and all
It's amazing when a person spins
The straight lines they kept you in
It's like when they were teaching you to be brave
And putting you on parade
To our Country's tis of thee
It's ones like you that gave our land liberty
So on that long weekend in May
I wish more people would come out to pray
For the ones who dare to say
Don't tread on me because I am free
For I have been in Country*
