

Team Registration League Admins Manual

MN Baseball Association League Secretaries/Admins are now required to approval/decline their league's teams online using the ScoreMonster platform. The following is a League Admins Manual to help provide a step-by-step instruction for how to manage team approvals.

Before starting with Step #1 make sure you have admin access to your MBA League in ScoreMonster. If you don't see your league under the "Leagues" tab, please contact support@mnbaseball.org.

Also, League Secretaries/Admins should review page 7 to understand the team registration workflow.

1. Navigating to Approval Dashboard

- a. Go to ScoreMonster.com and login (if you don't have a login create a new account and request access to your league by contacting support@mnbaseball.org. The Support team will grant you League access if you are authorized)
- b. Navigate to the Leagues → Manager → click Approve icon shown below

The screenshot shows the ScoreMonster website interface. At the top, there is a navigation bar with the ScoreMonster logo and tabs for Home, Teams, Leagues, and Inbox. Below this is a secondary navigation bar with tabs for Content, Design, and Manager. The main content area is titled 'Approval Dashboard' and features a search bar for leagues, a 'Go' button, and a 'Clear' button. A note states: 'Note: Search results may not return hierarchy.' Below the search bar is a table with columns for League Name, Admins, Teams, View, Register, Form Builder, and Approve. The first row shows 'Classic Cannon Valley' with icons for Admins, Teams, View, Register, and Form Builder, and a 'Learn more' link. The second row shows 'Classic Cannon Valley - Assistant (Class B)' with icons for Admins, Teams, View, Register, and Form Builder, and a 'Learn' link. A red arrow points to the 'Approve' button in the first row.

2. Your Approval Dashboard

- a. The teams in your league that have submitted their registrations will be listed in alphabetical by team name. Listed columns will show teams registration title, age, activity, league class and number in roster. Each team will have a status label next to their team name. Your Approval Dashboard is defaulted to show teams with the status of initiated and pending. To change this, select your status filter above the list. Status are as followed
 - i. Initiated – Team has begun the team registration but has not yet submitted their roster for approval
 - ii. Pending – Team has finished their registration and submitted their roster for approval
 - iii. Approved – Team and roster have been approved by league admin
 - iv. Declined – A combination of team or roster information is incorrect, and a league admin has declined approval.

3. View Team Details

- To view teams submitted details select the team name. A pop up will display listing the team's basic info from the team registration process. If the league has additional team info set up, those custom answers will be listed here. In this pop-up window, league admin can approve/decline or edit team info.

4. View Player Details

- To view player details, select in roster number listed for the team. A pop-up window will display with players in list view. On this page you will have the ability as well to approve or decline all. To view specific player details, select the players name. this will bring up the players basic information or additional roster info if the league requires it. League admin will have the ability to edit info as needed.
- Approving a Team**
 - To approve a team, look over team and roster info. If info is consistent select the green Approve button for that team. Approving a team will approve all players. A confirmation email will be sent to team admin stating your approval.
 - Declining a Team**
 - To decline a team, look over team and roster info. If the info is not consistent select the red decline button. Once decline selected a pop up will appear for you to comment on why the team was denied. An email will be sent to team admin with the status and comment.

Process for Adding additional Players After Team Is Approved (after June 30th)

After a team is been approved, coaches may add additional players. This is done through the ScoreMonster.com control panel (see step #1 of MBA Coaches Manual).

When a new player is added to a roster, the player will need to be approved by the League Secretary/Admin (each player is approved/declined individually after your team is approved).

ADDITIONAL NOTES

1. Important: Coaches have ONLY one opportunity (each year) while completing the MBA Team Registration to complete the “Additional Information” fields for your team and players. You can view-only these fields before your complete the registration by navigating to:
 - MBA **Team** Additional Info = Teams → Manager → Edit (see bottom of page)
 - MBA **Player** Additional Info = Teams → Manager → Roster → Select a Player (see bottom of page)

Any edits to “Additional Information” after the Team Registration is complete need to be completed by your League Secretary. The League Secretary will have permissions in ScoreMonster to make edits to Additional Information fields.

- Adding EXISTING players to the online Team Registration:
 - Search for your current players and click “Add Player”. Know the system will save automatically after each player is added.
- Adding NEW players to the online Team Registration:
 - Type players full name (First and Last Name) then click “Add Player”.
 - Complete the new player form below

Team Registration – League Admins Manual

- NOTE for step 3 of online Team Registration (Add Team Players) - Do NOT click “Save and Continue” until you are ready to submit your full roster. The online registration requires a minimum of 10 players to submit a roster. Do not stop at 10 players, add your entire roster that you know of now. Additional players can be added later but they will need to be approved 1 at a time after your team is approved (see workflow diagram on page 7)
