**Tie Breakers:**

1. Head to Head (amongst all tied)
2. Best record in Division (not applicable in 2018)
3. Total Runs scored between the teams that are tied (in head to head games)
4. Zimanske Points - beating a team gives the winning team points equal to the number of wins the losing team has at the end of the season.  
(Ex: If Team A beats Team B, and Team B ends the year with 6 wins, Team A gets 6 points for their win against Team B. Based on League games only. Wins against Elko = Elko's Win % X 23 games)
5. If two teams remain and the tie is still not broken by above, a coin toss will determine the higher seed.

**Tie Breaking Methodology:**

Rule 1: A given tie-breaker rule applies equally to all the teams that are tied at a specified record.

Rule 2: If, after the application of a given tie-breaker, all of the teams are still tied, go to the next tie breaker

Rule 3: If not all teams, but one or more subgroups of the teams are tied, separate these teams into groups and go back to rule 1 with each of the groups individually
