### Mrs. Dalloway's and Escuela Bilingüe Internacional welcome Sonia Sotomayor, celebrating Just Ask! Be Different, Be Brave, Be You

#### About this Event

Mrs. Dalloway's and Escuela Bilingüe Internacional are thrilled to welcome United States Supreme Court Justice Sonia Sotomayor to celebrate the simultaneous release of the English and Spanish language editions of her new children's book, *Just Ask! Be Different, Be Brave, Be You* and *¡Solo pregunta! Sé Diferente, Sé Valiente, Sé Tú.*

In *Just Ask!*, Sotomayor, with illustrations from award winning artist Rafael López, celebrates the different abilities kids (and people of all ages) have. Using her own experience as a child who was diagnosed with diabetes, Sotomayor writes about children with all sorts of challenges--and looks at the special powers those kids have as well. As the kids work together to build a community garden, asking questions of each other along the way, this book encourages readers to do the same: When we come across someone who is different from us but we're not sure why, all we have to do is Just Ask.

### SONIA SOTOMAYOR

Bush nominated her to the US District Court, Southern District of New York. In 1997, President William Jefferson Clinton nominated her to the US Court of Appeals for the Second Circuit.
