If you stay up all night arranging playlists for your next party, you will make the perfect student at this school for aspiring DJs. From a six-week beginner's course to advanced DJ refreshers, everyone enrolled can always use the equipment and facilities, day or night, which is phenomenal, as otherwise your apartment could be taken over by all the tricks of the trade. The school was started by spinspace the late Jam Master Jay, Reg E. Gaines, and Rob Principe, and instructors are of the likes of top hip-hoppers Max Glazer (Diddy's friend) and DJ Evil Dee, producer for none other than Eminem himself.
