

Year-Round Benefit Highlights

Another year-round feature that you can access from the menu under the Employee Benefits Center module is the Benefit Highlights for any upcoming plan-year.

You can access the Year-Round Benefit Highlights screen by selecting MENU, then *Employee Benefits Center*, and then select *Benefit Highlights*.

The page displays the same information you would find within the Open Enrollment, New Hire Orientation, or Qualifying Event module; however, you do not need to have access to one of these modules to view the available benefits.

— BENEFIT HIGHLIGHTS —

The new group insurance plan year begins [Date] and ends [Date]. The plans offered are summarized in the [Employee Benefit Highlights Booklet](#). If you have any specific questions, use the information on the Important Contact Information list inside the booklet to direct your questions to the applicable insurance provider. General questions may be directed to your Benefits Administrator.
