What is the Site Info tool?

Site Info tool contains many of the course management features needed for instructors to customize and manage their courses. Instructors may edit and rearrange the tools on their course toolbar, manage groups, publish or unpublish their course, import content from another site, and track participant enrollment activity.

Note: The functions of the Site Info tool are also available through the Worksite Setup tool, which is available from the Tool Menu when you are in Home.

To access this tool, select Site Info from the Tool Menu of your site.
