Parent Involvement Site Plan

1. Reflects the District Parental Involvement Plan.
2. Parents will be informed quarterly by means other than report cards as to the progress of their children making in classes.
3. Teachers will be willing to meet with parents as needed.
4. Parents will be involved in an ongoing, organized and timely way of involvement with the school sites.
5. Parents will be provided:
 - a. Timely Information,
 - b. The performance provides for their children regarding any achievement testing that is done,
 - c. Their child's assessment results,
 - d. Opportunities for regular meetings,
 - e. Provision shall be made for the parents to submit written comments to the principal concerning any disagreement with the schoolwide programs and the district parental involvement plan.
