

FOUKE SCHOOL DISTRICT
P. O. BOX 20
FOUKE, AR 71837

Dear Parent/Guardian,

This year, we have the opportunity to provide you with the ability to access your school information over the internet through a website called Home Access Center (HAC). Through HAC, you can view a daily summary of your attendance, schedule, and classwork, along with interim progress, report card, and standardized testing information.

To use Home Access Center, go to:

<http://foukepanthers.org>

Under **Parents/Students** click **Home Access**, then **Parent/Student Home Access** or under the **Quick Links** tab click **Grades**.

You will be prompted to select your district (**Fouke School District**) and enter a **login id** and **password**.

Users may change their passwords and modify challenge questions in **My Account** by hovering over the user name in the HAC banner and then select **My Account**. If you have more than one child but have two different logins or any other questions concerning HAC please contact Sherry Pilgreen at sherry.pilgreen@foukepanthers.org or 870-653-4311 for assistance.

ALERTS

Users may set alerts for grades and attendance by hovering over the user name in the HAC banner and then select **My Alerts**. Set alerts as you would like. We must have your email on file for alerts to work. If you are not receiving alert emails please email sherry.pilgreen@foukepanthers.org with your name, child's name, and the email address you would like the alerts to be sent to.

The screenshot shows the Home Access Center (HAC) website interface. At the top, there is a blue banner with the Fouke School District logo and the text "Fouke School District Home Access Center". On the right side of the banner, there is a "Logout" button circled in orange. Below the banner is a navigation menu with icons for Home, Attendance, Classes, Grades, and Registration. The main content area displays the "My Alerts" section, which includes a table with columns for Alert Type, Email, Mobile Phone, and Alert Details.

Alert Type	Email	Mobile Phone	Alert Details
Attendance	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Link alerts to specific classes/rooms.
Course Average	<input checked="" type="checkbox"/>	<input type="checkbox"/>	If my student receives a course average below [05] % or above [] %.
Classwork	<input checked="" type="checkbox"/>	<input type="checkbox"/>	If my student receives an assignment average below [00] % or above [] %.
Interim Progress	<input checked="" type="checkbox"/>	<input type="checkbox"/>	I would like to receive Interim Progress alert when it becomes available.

Users may Logoff by selecting **Logoff** from the upper banner.

Also with the upgrade, we have a new feature called the ***eSchoolPlus Family App***. The app can be downloaded from the iPhone's App Store or the Android's Google Play Store. The app allows parents and students to view attendance, classwork, calendar events, grades, and even email teachers by tapping the teacher's name. This app also includes a Notifications option that allows parents and students to see alerts that were previously sent by email. The app uses the parent's/students **HAC** login and password.

If you need your login information please contact Sherry Pilgreen at sherry.pilgreen@foukepanthers.org or 870-653-4311.
