Hamburg School District Releases Anonymous Tip Line

Safety Tip Line

The Hamburg School District is proud to provide our families with a free resource for keeping our schools safe. The anonymous tip line voicemail service helps stop potential school safety crises. By calling 870-853-2867 and leaving a message, you can report anything that is suspicious or endangering to you, your friends, or your school. This voicemail line does not replace 911.

When is the tip line available?

The Hamburg School District voicemail line is available 24 hours a day. This voicemail line does not replace 911.

How can you assure anonymity?

Every tip can remain anonymous. If someone chooses to leave their contact information on a message, please make sure you leave your first and last name, and telephone number. This will allow the School Safety Supervisor to call back for more information if needed.

What happens to a tip once reported?

Voicemail messages to 870-853-2867 are answered by our Safety Supervisor. When action is needed, the Safety Supervisor immediately forwards information to local school officials, local law enforcement agencies, and others, if necessary. The Safety Supervisor always follows up quickly with school officials and law enforcement agencies to make sure that the incident is investigated, action is taken, and the outcome is tracked.
