

The Hamburg ABC Pre-K will begin August 31. This decision was made due to a COVID issue. We will continue to follow the guidelines of the Arkansas Department of Health. Deep cleaning and the necessary precautions will be taken.

We understand this decision will be an inconvenience to many. Please know we are committed to safety and well-being of all, which is why we will continue to keep our adults and students safe at school.

Postcards have been sent out to students telling them their teacher's name. We will not be able to have an Open House this year. Your child's teacher will be calling to set up an individual conference for you and your child. We have made plans for a safe and fun year!

Pre-K was unable to have the usual April registration. We have students that signed up for Pre-K (online) but never returned their paperwork to get them into the program. If you did not receive a postcard, call or text Susan Smith at (870) 940-2013.

Portland site will begin on August 24th along with the rest of the students in the Hamburg School District.

Thank you for trusting us with the care and education of your children.

Sincerely,
Tracy Streeter
Superintendent

Susan Smith
HSD ABC Coordinator

Chris Hammond
Safety Supervisor
