

MAP Alternate Assessment (MAP-A)

MAP-A testing in grades 3-8 & 11 will be conducted during a window from April 2 to May 18. Students will be tested at the teacher's discretion. Each student will complete five testlets in math and five testlets in ELA in grades 3-8. Students in grades 5 & 8 will complete nine additional science testlets. 11th Grade students will only complete nine science testlets.
