

### AMI Lesson 3

1. Go to [www.explorelearning.com](http://www.explorelearning.com)
2. Login in using this username and password:  
Username: EarthS657189  
Password: tap189
3. Where it shows the Plate tectonics gizmo click launch.
4. Use the worksheet on google classroom titled Plate Tectonics to go through the gizmos answering the questions as you go. There are a couple of questions to answer before you do the gizmo. You can skip the sketch part of every activity.
5. Turn in the completed worksheet on google classroom under AMI lesson 3.
