

As per statute 335.016(9), RSMo

The Definition of Practical Nursing is as follows:

(14) "Practical nursing", the performance for compensation of selected acts for the promotion of health and in the care of persons who are ill, injured, or experiencing alterations in normal health processes. Such performance requires substantial specialized skill, judgment and knowledge. All such nursing care shall be given under the direction of a person licensed by a state regulatory board to prescribe medications and treatments or under the direction of a registered professional nurse. For the purposes of this chapter, the term "direction" shall mean guidance or supervision provided by a person licensed by a state regulatory board to prescribe medications and treatments or a registered professional nurse, including, but not limited to, oral, written, or otherwise communicated orders or directives for patient care. When practical nursing care is delivered pursuant to the direction of a person licensed by a state regulatory board to prescribe medications and treatments or under the direction of a registered professional nurse, such care may be delivered by a licensed practical nurse without direct physical oversight;
