Parent Notification on COVID – 19

Dear Parent,

Midland School District is monitoring the situation involving the COVID – 19 virus in Arkansas. We are updated frequently by the Arkansas Department of Health and the Division of Elementary and Secondary Education. Currently there are 9 presumptive cases of COVID – 19 in Arkansas. These cases are currently in Jefferson, Pulaski, Saline, and Grant counties.

We are currently doing the following at Midland:

- Routinely cleaning and disinfecting the school
- Encouraging staff and students to wash their hands frequently with soap and water
- Monitoring any student's symptoms as they come to the nurse.
- Following the Department of Health and Department of Education guidelines
- Currently suspended athletic games, field trips, and Pee Wee Basketball until March 30th

You can also help prevent the spread of the viruses by encouraging your student to:

- Stay home when they are sick
- Avoid touching their eyes, nose, and mouth with unwashed hands
- Cover their mouth when coughing or sneezing
- Frequently wash their hands with soap and water.

Below is a link to an updated page on the COVID – 19 virus on the Department of Elementary and Secondary Education. We will provide more updates as we can.

Midland's top priority is our student's wellness and we appreciate your help.

Sincerely,

Dewayne Wammack, Superintendent

Doing Whatever IT Takes because our Kids are worth it!!!!
