CAMP COACHES: We believe that teaching at camp (as well as having fun) is very important. We will employ as many coaches as needed to keep the coach to player ratio to a teachable number.

CAMP ORGANIZATION: All Basketball Campers will be taught the fundamental skills of shooting, dribbling, passing, ball handling, and individual/team defense.

CAMP CONTESTS: All campers will participate in individual and team contests (divided into age groups) with the winners and champions receiving awards on the last day of camp.

CAMP PHILOSOPHY: We try and provide a fun learning experience as well as provide the opportunity for competition at divided grade levels. The fundamentals are the base for all good basketball players and are the most important thing to teach at camp. We want your athlete to learn about basketball, have fun with her peers and develop a love for the game.
