- I. Review of last meeting on February 15, 2017.
- II. Elementary students in grades 3-5 completed the Healthy Relationships six weeks program. 9<sup>th</sup> grade and middle school students are also getting to participate in the same program focusing on not only healthy relationships but also bullying.
  - A. The committee addressed bullying further and after discussion in regards to student programs and presentations, it was agreed that students are getting good information at every level and at each campus every year.
- III. Employee laboratory testing was completed on Friday, March 24<sup>th</sup> on all employees and family members that wanted to participate.
- IV. North Texas Children's Dentistry is scheduled for Friday, March 31<sup>st</sup> for elementary students.
- V. Puberty program will be scheduled when supplies are received for 5<sup>th</sup> grade students.
- VI. 11<sup>th</sup> and 12<sup>th</sup> grade students traveled to Bowie High School for an alcohol awareness program.
- VII. Middle school students had a presentation on drugs during their anti-drug week that was impactful and informational on the devastation and destruction that drugs can cause.
- VIII. End of the year report to follow. The council would like to bring back Aim for Success utilizing one of the different programs for the 2017-2018 school year.
