Q. What times are drive thru and delivery services?

A. 11:30-1:00. This is a hard deadline and unfortunately we cannot serve outside of this window.

Q. Do I have to fill out a consent form if I will pick up food at one of the drive thru options?

A. No, the consent form is only if you are requesting food to be delivered.

Q. What will delivery look like?

A. Deliveries will be made in a school vehicle, most likely a bus or van. We will need a request in writing that you would like meals delivered to meet federal requirements. This can be done via email to tmoerer@usd244ks.org or call Tracey Moerer at 620-364-8478 ext. 3170 for different options. Only one person must come out to pick up the meals, but all children must be visible in some form to staff members (such as standing in the door or window). At the time of delivery, staff will ask for an approximate number of meals needed for the following day.

Q. When will my food be delivered?

A. Delivery should occur around the same time differential that is normal with your child's bus route. For example: Buses typically depart the buildings at 3:10 PM and your child is dropped off at 3:40. That 30 minutes would be applied to the start time of our delivery at 11:30 AM. Therefore, you could expect your food to arrive around 12 PM.

Q. What if I miss delivery?

A. We encourage you to utilize the drive thru option from 11:30-1:00 either at Burlington Elementary School Hug and Go or New Strawn Library Parking Lot.
