**Superintendent’s Report**
1. Congratulations to the girls and boys swim teams and the boy’s basketball team. The games at the Magnolia tournament had a great environment. Donations from a local business made it possible for some students to attend the games. Some of these students had never had the opportunity to attend an athletic event.

2. We are currently exploring the possibility of athletic passes for students. Some schools have programs for students to purchase a pass for a year for all athletic events for a minimal charge, or monitoring access to games based on a student’s ID.

3. School is cancelled for the remainder of the week due to illness in the student body and staff. Custodians will work hard to disinfect buildings and bus drivers will disinfect their buses.
