The District provides space and in-kind services at the Walker campus for one Head Start classroom which is under the direction of FACT, Inc. of El Dorado. When space is available, Lynnetta Roberts, Principal, works to assist other providers, such as Kids First and Magnolia Specialized Services, in meeting the needs of students who are released from their programs. Collaboration also includes referring families to other programs, when appropriate. Walker Pre-Kindergarten also coordinates activities with Head

Goal 2: How will the district provide coordination, technical assistance, and other support necessary to assist participating schools in planning and implementing effective parental involvement?

All stakeholders will sign the compact.

The District site will address district issues and each individual campus has its own site for more specific information concerning that school. The website is maintained by Jon Ed Rowe, Director of Technology.
